

Hettich Mikro 185 with 18-place rotor

SOLUTION FOR: **SPIN COLUMNS**

HETTMIKRO185-1213-A-PACK: **\$ 3,672.00**

Includes:

- Mikro 185 centrifuge
- 1213-A Rotor for spin columns 18-place
- Adapters for spin columns x18
 - Angle: 45°
 - Max. RCF: 14,000
 - Max. RPM: 16,654 min⁻¹
 - Max. capacity: 18 x 2 ml

Hettich Mikro 220 with 24-place rotor

SOLUTION FOR: **MICROCENTRIFUGE TUBES**

HETT2200-1195A-PACK: **\$ 6,779.00**

Includes:

- Mikro 220 centrifuge
- 1195-A Rotor for microcentrifuge tubes 24-place
 - Angle: 45°
 - Max. RCF: 31,514
 - Max. RPM: 18,000 min⁻¹
 - Bio-containment lid: Yes
 - Max. capacity: 24 x 2 ml

Hettich Mikro 220R- Refrigerated with 24-place rotor

SOLUTION FOR: **MICROCENTRIFUGE TUBES**

HETTMIKRO220R-1195-A-PACK: **\$ 10,995.00**

Includes:

- Mikro 220R Refrigerated centrifuge
- 1195-A Rotor for microcentrifuge tubes 24-place
 - Angle: 45°
 - Max. RCF: 31,514
 - Max. RPM: 18,000 min⁻¹
 - Bio-containment lid: Yes
 - Max. capacity: 24 x 2 ml

Hettich Universal 320 with rotor for 15 & 50mL tubes

SOLUTION FOR: **15 & 50 mL conical centrifuge tubes**

HETTUNI-PACK: **\$ 10,844.00**

Includes:

- Universal 320 centrifuge
- 1554 Swing out rotor
 - Angle: 90°
 - Max. RCF: 3,328
 - Max. RPM: 4,500 min⁻¹
 - Max. capacity: 4 x 200 ml
- 1563 Bucket, Double for 50mL x 4
- 1592 Adapter for 15mL tubes x 8

Universal 320R Refrigerated with rotor for 15 & 50mL tubes

SOLUTION FOR: **15 & 50 mL conical centrifuge tubes**

HETTUNIR-PACK: **\$ 15,971.00**

Includes:

- Universal 320R Refrigerated centrifuge
- 1554 Swing out rotor
 - Angle: 90°
 - Max. RCF: 3,328
 - Max. RPM: 4,500 min⁻¹
 - Max. capacity: 4 x 200 ml
- 1563 Bucket, Double for 50mL x 4
- 1592 Adapter for 15mL tubes x 8

Prefer another combination?

With thousands of configurations possible, we have the solution for your centrifugation needs. Including options for:

- Centrifuge Tubes
- Plates
- Blood tubes
- Hematocrit
- Cell Washing
- Bottles/ High Capacity Floor Standing
- Blood Bags

Talk to us to configure a package to suit your unique application requirements.
