

MS-TS: Expect Simply More

It Works as Hard as You Do - Safely

Durability

Free EasyDirect™ with Every MS-TS Purchase*

Get EasyDirect Free – and Data Loss or Transcription Errors will be a Thing of the Past

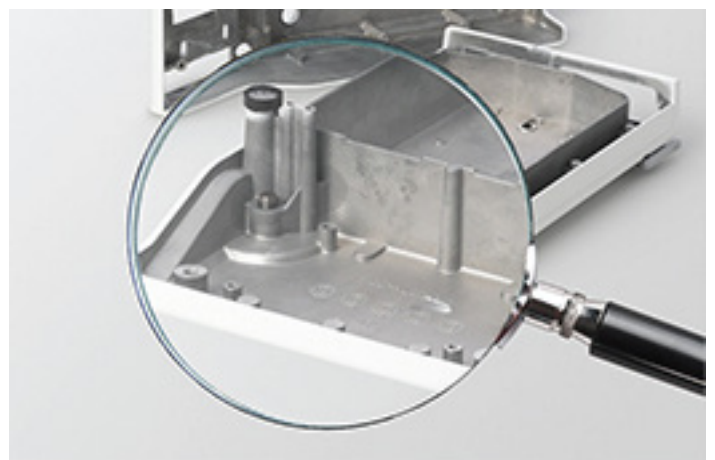

For a limited time, EasyDirect™ software is included free with every MS-TS Analytical balance you purchase*. EasyDirect helps by:

- **Simplify data management.** Connect as many as 3 balances to a PC or your ERP system.
- **Enhance productivity and avoid errors.** Automatic data-capture and storage along with easy recall eases your ability to prove traceability.
- **Ensure easy reporting.** Stay confident in the knowledge that your results are stored, collated, and simply accessible with the EasyDirect Balance.

Glove Mode – Protect Yourself and Others

Our MS-TS balances have features to provide additional user safety. With the function Glove Mode activated, the touch screen becomes easier to navigate when wearing gloves. This is especially important in the current situation, where users might want to protect themselves better by wearing gloves more regularly, to reduce the risk of spreading COVID-19 – especially when balances are shared.

Enjoy Performance and Durability

A robust, full metal housing makes MS-TS our best solution for the toughest conditions. This durable balance brings you the weighing accuracy you need today and tomorrow. Built-in quality assurance and programmable methods ensure high productivity and a quick ROI.

*This offer is valid until 31.10.2020 or while stocks last. Price exclude GST and local freight.
